CORPORATE BOWLS". With the Christmas Season upon us, Corporate bowls is an important part of the Bowls season. Bookings are strong and as of now we have 11 bookings for 410 people to play "Barefoot Bowls". The bookings are from now to 15th December with more to come. Check the Information board in the alcove for all the details. We need the support of all bowlers. Contact Brian Milnes 0400168837

Carum Bowling Club Parking - Saturday and Midweek Pennant

Carum Bowling Club have informed us that there are parking restrictions in the area. They will be able to issue visiting teams with **one** parking permit per rink which will be provided to the Team Manager for distribution. It would be advisable for teams to car pool 4 players to a car and on Saturdays arrive at 12pm or earlier. Any other cars will have to park in the metered parking bays and pay the appropriate fee. Alternatively parking on Nepean Hwy north of the Club is free.

Photographs For The Website Main Page

I would like to refresh the photos that display at the top of the page on the website main page, the current ones are getting old and perhaps feature people who are no longer members of Mulgrave Country Club. If you look at the format of the current photos, you will see that any new photo will need to be able to be cropped so that it is wider than it is deep, although it is possible to create a montage of two or three photos that relate to the same event. Photos should feature members (at any venue, in Club uniform) and events at Mulgrave, inside or outside the Club. If you have any photos from last season that you think would be suitable, give me a call. Further if you see an opportunity to take photo that could be used for the website, please pass it on.

David West.
