

MULGRAVE COUNTRY CLUB

Mulgrave Country Club is known in the area as “Your Friendly Community Sporting Club” and is a club entirely owned by its members.

Some far sighted people who foresaw the growth of the area and the need for a meeting place formed the Mulgrave Country Club in 1961. From a humble beginning, it has grown to a licensed club with excellent sporting and recreational facilities and ever increasing social activities.

In 1961 the present site of approximately 2 hectares was purchased, the land was cleared, the original clubhouse built and the first bowling green constructed.

The present Club building was opened in April 2004 and extended in 2012. It now includes three function areas (the Mulgrave Room, Panorama Room and Heritage Brassiere), the Country Bistro (open 7 days), Wellington Room, two Outdoor Lounges, Sports Café, Legends Room, Members Lounge, Punters TAB and convenient underground car parking.

The Club now comprises three bowling greens (two under lights), four squash courts, three tennis courts (with lighting), cricket teams, social golf, snooker, darts and indoor carpet bowls ... catering to a very large membership.

Sports facilities and competitions are well organised, and new members along with visitors are made most welcome.

All Club activities and news are reported in a bi-monthly club newsletter. Information is also available on our website (www.mulgravecc.com.au).

Mulgrave Country Club prides itself on its contributions to the local community and supports many local charities, sporting clubs and schools.

The following is an extract from the book "The First One Hundred Years of the Royal Victorian Bowls Association", published in 1980 to celebrate the centenary of the RVBA.

MULGRAVE COUNTRY CLUB: Founded December 14, 1960, Les Allen the president, John Boucher the secretary. In the late 1950s a group of local businessmen who gathered nightly at the local pub decided to form a men's club. On April 14, 1961, they purchased five acres (two hectares) of land at the corner of Jells and Wellington Roads for \$20,000. When the greens were laid, hessian bags were used for mats, tennis balls for jacks, and old bowling balls were borrowed. Today the club has two greens, two squash courts, a well-appointed spacious licensed clubhouse and kitchen, directly opposite V.F.L. Park. Members number 600, including 150 bowlers and 200 ladies.
